## Mobius Capital Partners Explores Investment Trust IPO on London Stock Exchange

- Mobius Investment Trust will provide access to the firm's highly specialised active ownership strategy
- The new trust will invest in small to mid-cap companies in emerging and frontier markets with an absolute return focus
- Mark Mobius, Carlos Hardenberg and Greg Konieczny founded Mobius Capital Partners in May 2018

Mobius Capital Partners LLP ("Mobius Capital Partners"), the emerging and frontier markets investment firm, is exploring the launch of a new UK investment trust, Mobius Investment Trust plc ("MMIT"). The listed vehicle will provide access to the firm's highly specialised active ownership strategy. MMIT will seek to invest in companies with resilient business models and the potential for operational and ESG (environmental, social and governance) improvements. In conjunction with its Initial Public Offering, MMIT will seek admission to trading on the Premium Segment of London Stock Exchange's Main Market.

Mark Mobius, Carlos Hardenberg and Greg Konieczny, the firm's Founding Partners have strong track records and an unrivalled depth of experience in emerging and frontier markets. This includes managing two of the largest London listed investment companies, Templeton Emerging Markets Investment Trust plc ("TEMIT") and Fondul Proprietatea S.A. ("Fondul").

### Mark Mobius, Partner of Mobius Capital Partners, commented:

"Emerging and frontier markets have changed dramatically over the last 30 years. At Mobius Capital Partners we believe our approach to investment must also evolve to stay relevant. That is why we are adopting an innovative and specialised strategy built around actively partnering with our portfolio companies. The recent correction across emerging and frontier markets has presented the perfect conditions to be launching MMIT, with currencies at an all-time low and company valuations looking increasingly attractive."

Jefferies International Limited ("Jefferies") will act as sponsor and sole global coordinator in connection with the proposed launch. Scott Harris UK Ltd ("Scott Harris") will be appointed as intermediaries offer adviser. The launch of MMIT is expected in September 2018.
